

115-9-9. Electronic licenses, permits, stamps, tags, and other issues of the department; other requirements. The requirements in this regulation shall apply to licenses, permits, stamps, tags, and other issues of the department purchased from electronic or telephone license vendors or by electronic means. These requirements shall consist of the following:

(a) Each individual who receives or prints a hard copy of an issue of the department purchased from an electronic or telephone license vendor or by electronic means shall sign the issue, attesting that all information on the issue is true and correct.

(b) Each individual who purchases a departmental issue from a telephone vendor shall carry the confirmation number while actively engaged in any activity authorized by the departmental issue. When the individual receives the hard copy of any issue received from a telephone vendor, the individual shall sign and carry the hard copy of the departmental issue while actively engaged in any activity authorized by the departmental issue.

(c) Each individual who receives an electronic version of a departmental issue shall attest that all information contained in the issue is true and correct at the time of purchase. A digital file or portable document format file of the departmental issue shall be stored on the licensee's mobile device, which the licensee shall carry while actively engaged in any activity authorized by the departmental issue.

(d) Each hard-copy stamp received from an electronic or telephone license vendor or by electronic means shall be validated if the individual signs the issue displaying the valid stamp purchase. The confirmation number of each stamp purchased from an electronic or telephone license vendor shall be proof of signature until the individual receives the hard copy of the stamp purchased from the license vendor.

(e) Any current issue of the department that is destroyed or lost may be replaced by electronic means. Each individual whose current issue was destroyed or lost shall sign the new hard-copy issue, attesting to the destruction or loss of the current issue.

(f) An application form shall not be required for an individual to purchase any issue from an electronic or telephone license vendor or by electronic means. The signature on the issue by the individual receiving the issue shall meet the signature requirement on application forms.

(g) The removal of the carcass tag from any big game or wild turkey permit or game tag purchased from an electronic license vendor or by electronic means shall not invalidate the permit, game tag, or carcass tag for hunting. However, signing any carcass tag before harvesting an animal for which the carcass tag was issued shall invalidate the carcass tag and either the permit or the game tag for use.

(h) Each temporary annual park permit purchased from an electronic or telephone license vendor or by electronic means shall be valid only if visibly displayed on the vehicle or camping unit for which the annual park permit was purchased. Each individual with a temporary annual park permit purchased from an electronic license vendor or by electronic means shall exchange the permit for a permanent annual park permit at a department office or automated park license vendor.

(i) Each person required to provide the identifying number of a license, permit, tag, stamp, or other issue of the department shall use the transaction number of the electronic license, permit, tag, stamp, or other issue.
